

Skills for success

The eight skills below will help you in many ways.

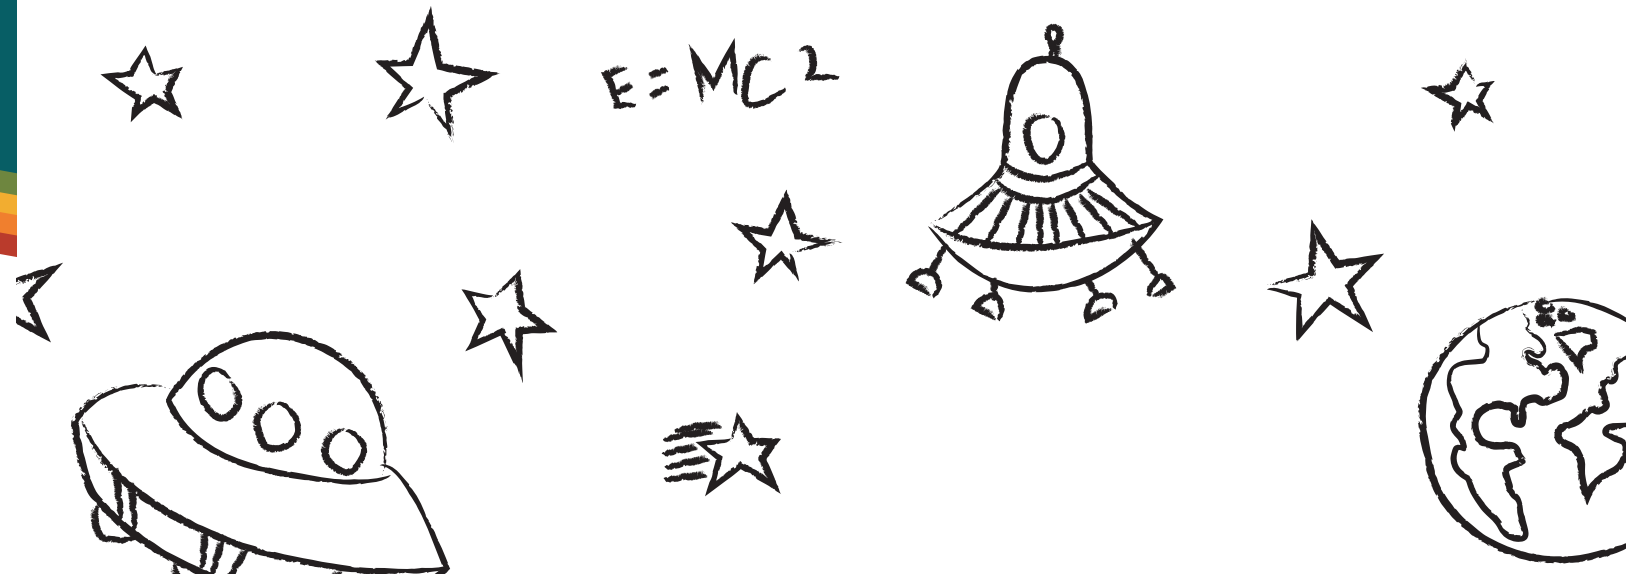

Skills Master,
why are these skills
important?

It has been
proven that these skills
will help you to do well at
school. These are also the
skills that everyone needs
to do almost any job.

The only way to get better at a skill is to keep on practicing it.

SKILLS

Every time I demonstrate a skill, I achieve a stamp!

Whenever you practice a skill, give yourself a rating by colouring in the circles below.

Rate your progress towards these skills using a traffic light key.

Write the date underneath each rating, so that you can see how you're progressing.

-  I need to work more on this
-  I am doing well
-  I am really good at this!
